This Year:

- The top eight abstracts will be selected for podium presentation. Each resident whose paper is chosen for presentation will receive a monetary award of \$100.00. In addition, the top three papers chosen at the meeting will receive an additional \$100.00 each.
- The next six abstracts will be selected for poster presentation option in the Exhibit Hall. Each resident whose paper is chosen for the poster presentation will receive a monetary award of \$100.00. In addition, the top two chosen at the meeting will receive an additional \$100.00.

Please submit abstracts according to the specifications provided on the enclosed instructions by **January 14, 2019**. The complete **Author Data** and **Official Abstract Page** can be found on-line at 2018 Resident Abstract Submission Forms under the Annual Meeting tab on the Ohio Orthopaedic Society website. www.ohioorthosociety.org

A committee will review the abstracts. They will be judged upon the importance of the study (relevance to patient care), creativity, the study design, the execution of the study, the data analysis, the reasonableness of the conclusions and the quality of the presentation.

The best eight papers will be chosen for oral presentation at the meeting on Friday, May, 17th. Each paper will be allotted 5 minutes with open discussion from the floor.

The next six abstracts will have the option of poster presentation in the exhibit hall on Friday, May 17. During the morning session 7:30am – 8:30am and all meeting breaks, an author or co-author must be available to answer questions about their presentation.

I hope you will make every effort to join with your colleagues and attend this year's meeting.
