Co-Chairmen

Scott D. Weiner, M.D.
Akron

H. Brent Bamberger, D.O.
Dayton

Historian

Warren G. Harding, M.D.
Cincinnati

Executive Director

Stephen C. Landerman

A Message from the President

This newsletter is being sent to all orthopaedic surgeons in Ohio – both members and non-members of the OOS. If you have attended our annual meeting in the past thank-you for your participation. If you have never attended please read the enclosed agenda. I am sure you will agree that the quality of the scientific papers and the excellent social aspects of the meeting are well worth your time and effort.

Members of the Society can attend the meeting for free and receive up to 10 hours of Category 1 CME Credits.

If you are not sure if you are a member simply log on to our website at www.ohioorthosociety.org, click on "find an orthopaedist" and click on your home county. All members of the OOS from your county will appear on the screen. If you wish to become a member simply click on "OOS membership application" and follow the directions. Applicant members automatically are eligible to attend the meeting at no cost. If you have any questions just call the Society office at (614) 464-2878.

I look forward to hearing from you.

Sincerely,

Raymond S. Duffett, M.D.

Plan now to attend the 2009 Annual Meeting – May 7-8

Dr. Jeffrey Anglen, M.D., to be Presidential Guest Lecturer

If you have not already done so, make arrangements now to attend the 70th Annual Meeting of the OOS to be held again this year at the Hyatt on Capitol Square, 75 East State Street, Columbus, Ohio on Thursday, May 7th and Friday, May 8th. This year's Presidential Guest Lecturer is Dr. Jeffrey Anglen, M.D., FACS, Professor and Chairman, Department of Orthopaedic Surgery, Indiana University School of Medicine, Indianapolis, Indiana. In addition to his paper on open fracture wound care he will lead a discussion on maintenance of certification as well as moderate a panel on the pros and cons of orthopaedic call coverage for hospital emergency departments.

Once again the scientific portion of the meeting will be held on one day (Friday) to allow physicians with limited time to attend all of the paper presentations and receive their CME credits.

The expanded resident's papers contest will showcase the talent of residents from both M.D. and D.O. programs in Ohio. Twelve papers will be presented and each resident will receive \$250.00. The top three papers will each receive an additional \$250.00. Our popular resident/members "jeopardy contest" will be continued. This lively format tests the scientific knowledge and history of orthopaedics between residents and members.

The social program will begin on Thursday at the New Albany County Club with a buffet lunch at Noon followed by a golf outing with the first tee time at 1pm. Thursday evening exhibitors will join with doctors and their guests for an evening reception and barbeque.

Take a look at the enclosed scientific program and social agenda. A registration form is also enclosed. If you would like additional information or forms you can log onto www.ohioorthosociety.org or call our Columbus office at (614) 464-2878.

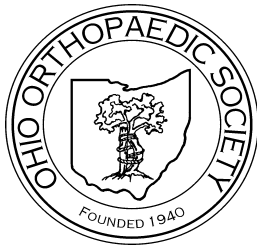

2009 OOS Annual Meeting Schedule

Thursday, May 7, 2009
